COVID-19 Resource Guide Update as of June 21, 2022

As you know, Horizon has worked to address coverage matters and adjust business practices to help our members and customers during the COVID-19 public health emergency. Many of the accommodations we made are described in the [COVID-19 Resource Guide](#). Recent key updates include the reinstatement of actively at work and waiting period requirements.

Information in the [COVID-19 Resource Guide](#) is subject to change.

We are grateful for the trust our customers place in us. For 90 years, we've been here when our members and communities have needed us most. Rest assured, we will continue to provide the coverage and services our members count on.
